NEW CAIRO

About The Developer

The Saudi American Group Developments SAG provides a wide range of professional services across various sectors of real estate development and investment.

SAG is a strategic alliance between a group of American, Saudi, and Egyptian companies with strong financial capabilities, intellectual resources, and extensive expertise. This collaborative effort consistently contributes to the company's growth and development within an environment conducive to investment. The Arab Republic of Egypt stands as an exemplary model in supporting investors in general, and real estate investment in particular.

With its vast experience in the United States, Saudi Arabia, and beyond, SAG is currently implementing an ambitious real estate investment strategy in Egypt to keep pace with the global real estate expansion.

A Vibrant Community In A Prime Location.

Introducing **ALCA New Cairo** – A Premier Residential Compound in the Heart of New Cairo's 6th Settlement.

ALCA is an exclusive, meticulously designed residential community located in one of the most sought-after areas of New Cairo's 6th Settlement. Surrounded by prestigious real estate developments, this prime location places residents in close proximity to the finest services, amenities, and infrastructure.

Spanning across 33 acres, **ALCA** offers a harmonious blend of modern living and luxury, featuring G+4 buildings designed to the highest standards of comfort and style. Residents can enjoy a beautifully landscaped 8,200 m² green park, providing a serene environment for relaxation and outdoor activities. Additionally, the 16,000 m² commercial mall enhances convenience, offering a variety of shopping, dining, and leisure options just steps away from home.

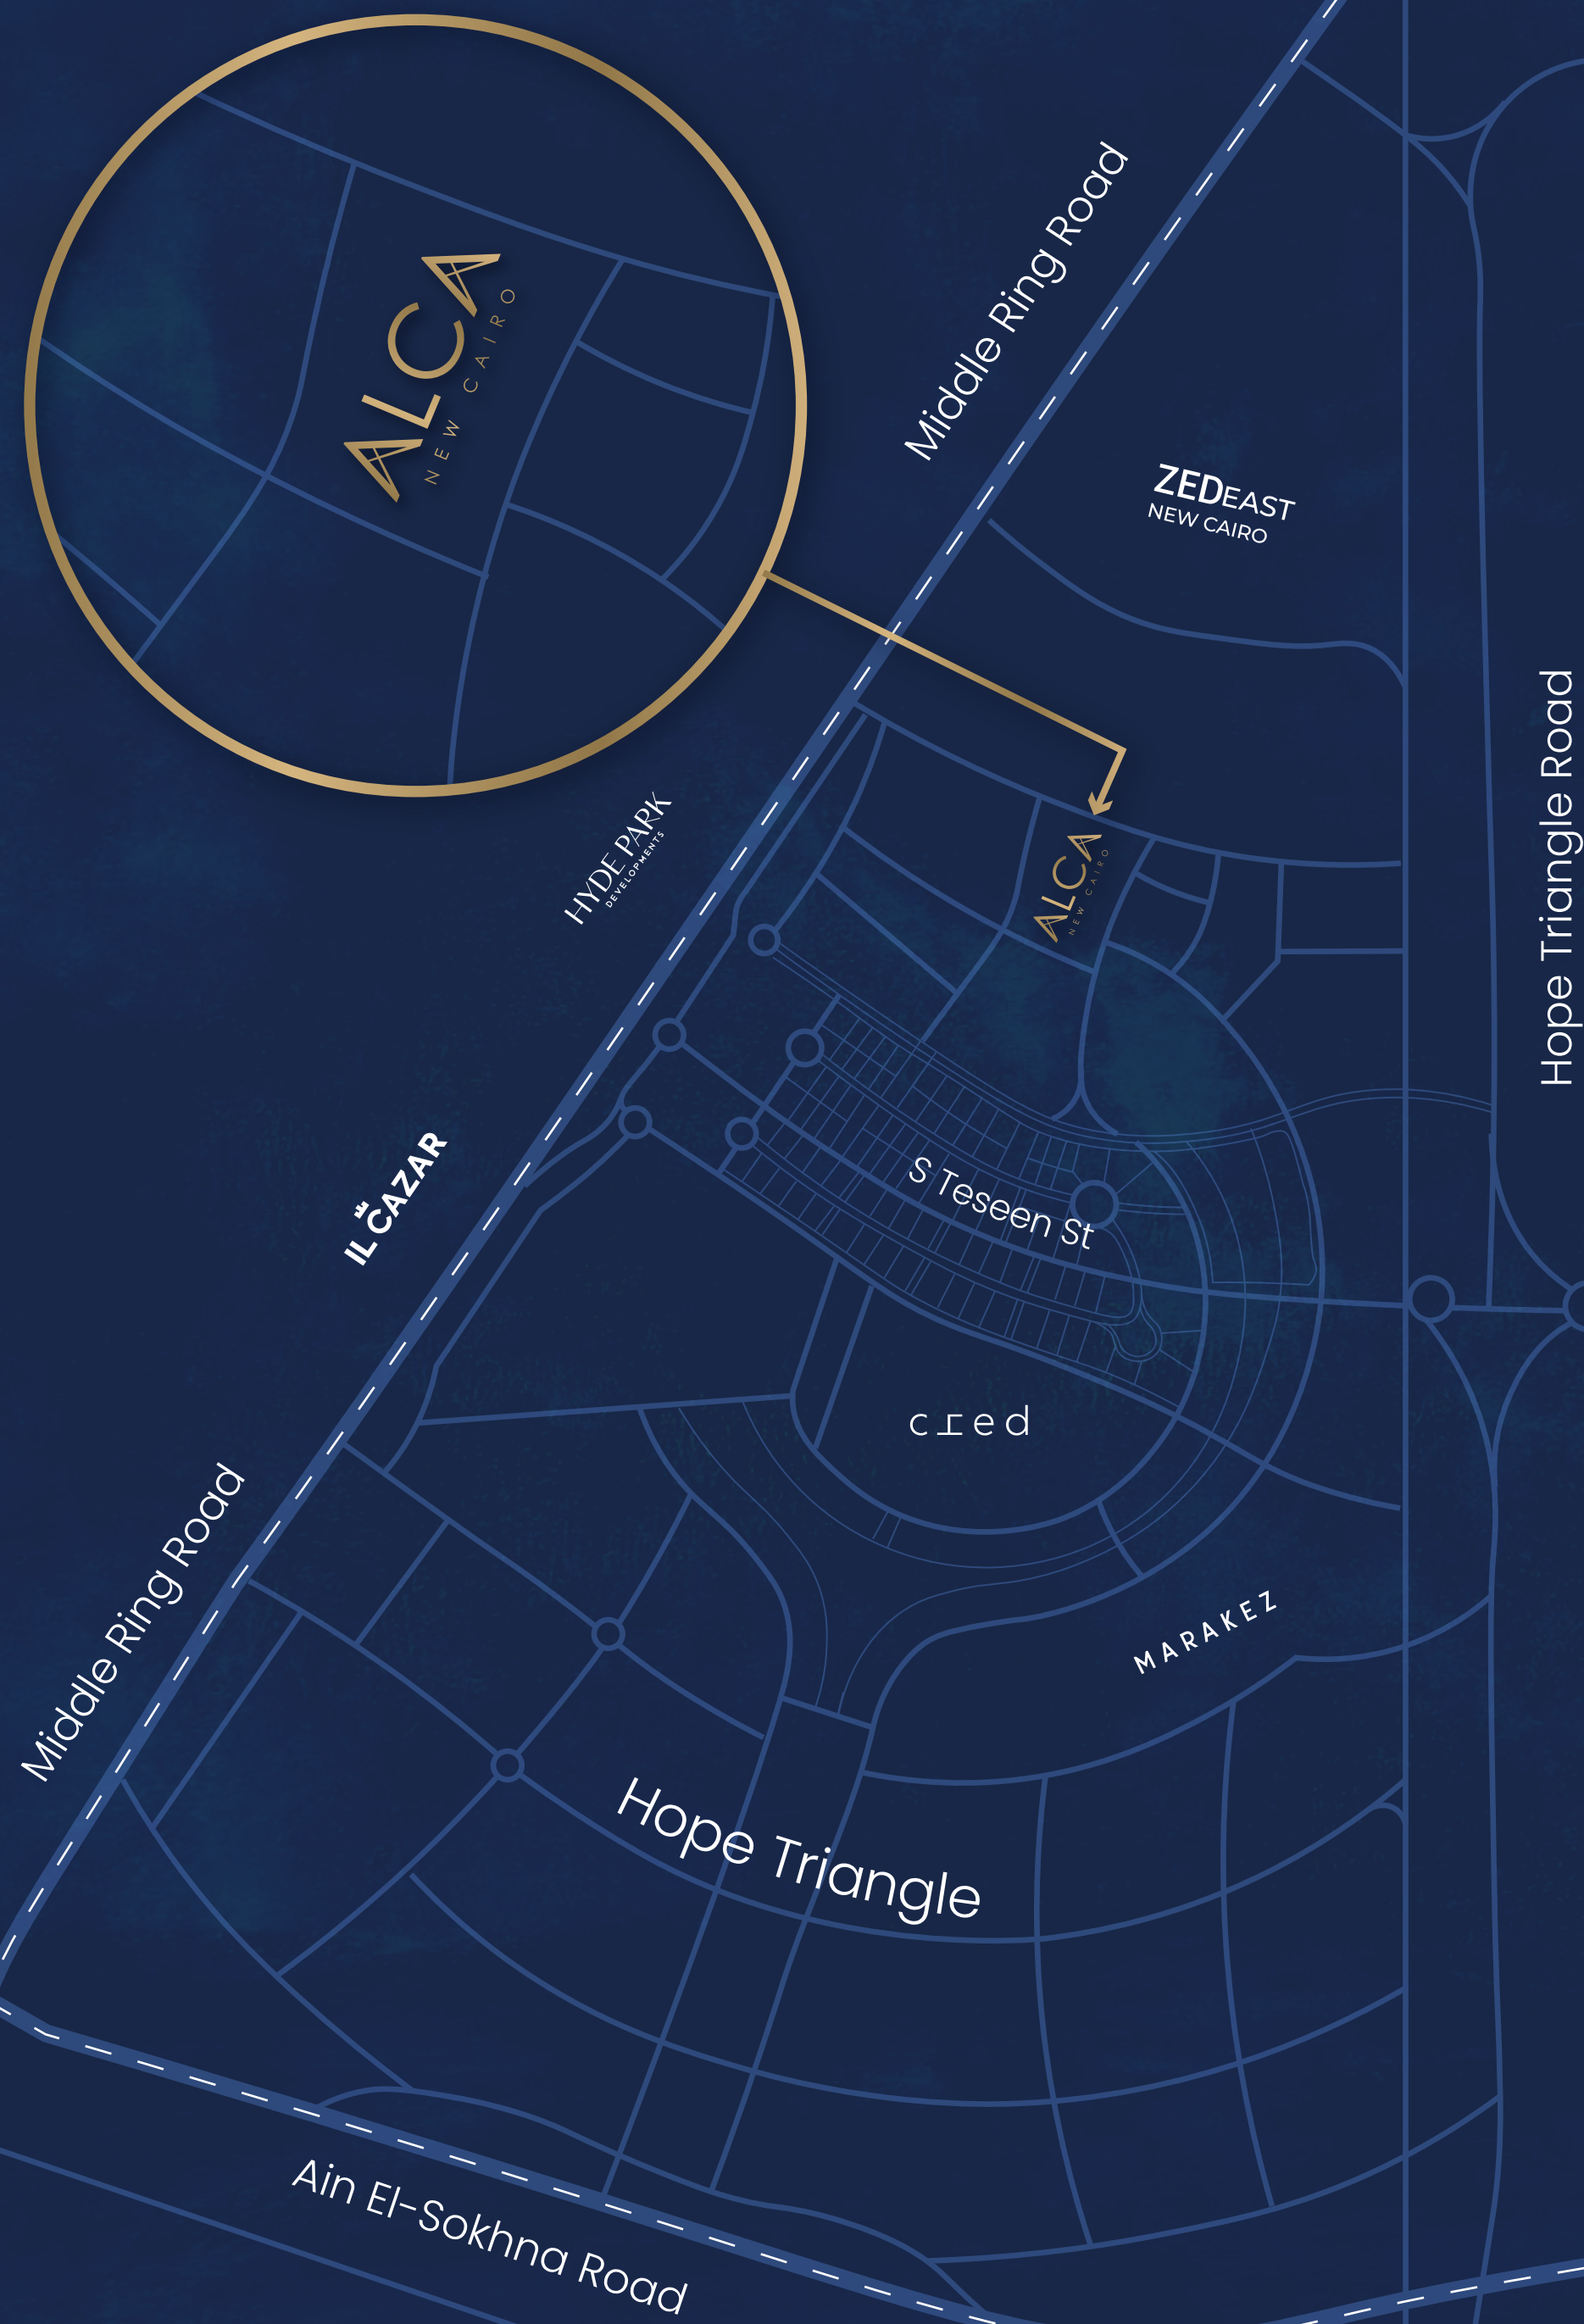

ALCA is not just a place to live – it is a lifestyle, offering a vibrant community and an exceptional standard of living in one of the most prestigious locations in New Cairo.

A Green Haven In The Midst Of Modernity.

The 8,200 m² green park at ALCA New Cairo serves as a vibrant centerpiece, offering lush greenery and open spaces for relaxation, leisurely strolls, and family activities. Nestled within this serene landscape is a dedicated barbecue area, providing the perfect spot for outdoor gatherings and socializing with loved ones. Together, these spaces create a harmonious environment that blends tranquility with community engagement.

ALCA's running and biking track is designed to encourage an active lifestyle within the compound. This well-maintained path provides residents with a safe and scenic route to enjoy jogging or cycling, promoting both health and wellness in a serene environment.

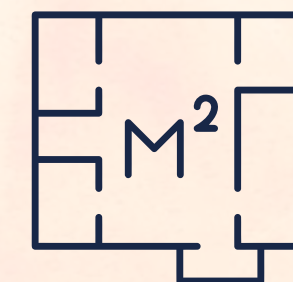

ALCA's swimming pool and kids' area provide the perfect combination of fun and relaxation. The pool offers a refreshing escape, while the dedicated children's play area ensures that young residents have a safe and enjoyable space to explore and socialize. These facilities are designed to cater to the whole family, enhancing the compound's sense of community and well-being.
